Expressions of Interest (EOI)

Government of India has taken a decision to establish Specific Pathogen Free (SPF) Multiplication Centres (MC) for production and supply of *Litopenaeus vannamei* and *Penaeus monodon* in the country in collaboration with reputed brood stock producers. MC's should contain effective and adequate bio-security facilities in accordance with the requirements of the SPF stock.

Expressions of Interest (EOI) are invited from reputed firms, companies, hatchery operators, etc. with proven capacity to set up multiplication centres either individually or in collaboration for production and supply of Specific Pathogen Free seed of shrimp species, namely, *Litopenaeus vannamei* and *Penaeus monodon*. The proposals should provide details such as the operation of SPF facility, the nature of the original breed in the Nucleus Breeding Centre, the level of Genetic improvement achieved, financial investment etc. The MC's for *Litopenaeus vannamei* and *Penaeus monodon* would be separate and distinct.

Interested parties may submit their offers along with their terms and conditions to the address given below within 30 days from the issue of this advertisement.
