D.O.No. 50-91/2003-LDT(AQ)
10th August, 2005

Dear

This is in continuation to my D.O. letter of even number dated 27th May, 2005 in which I had requested you to be vigilant to prevent ingress of the Highly Pathogenic Avian Influenza (Bird Flu) from across the country. It was requested that serum samples may be collected from the domesticated birds maintained around the sanctuaries/lakes where there is a possibility of migratory birds nesting and sent to High Security Animal Disease Laboratory (HSADL), Bhopal for testing. I am enclosing a list of bird sanctuaries of your state.

It is further re-iterated that the surveillance may be intensified and the serum samples from the other cluster areas may also be collected periodically from different parts of your state indicating the name of the village/district and sent to High Security Animal Disease Laboratory, Bhopal for testing.

With regards,

Yours sincerely,

(P.M.A. Hakeem)
